I certify that \_\_\_\_\_ will not be returning to \_\_\_\_\_  
*Student Name* *School Name*

for the remainder of the 2023-2024 school year. This exit is valid as of \_\_\_\_\_  
*Date*

I understand that the scholarship awarded is attached to the student and must be prorated and returned to Renaissance Scholarships, Inc. due to the student's change in standing with the school. The prorated amount is based on the total scholarship for one school year, minus the days attended.

To calculate the prorated scholarship amount, please complete the formula below:

1.  $\frac{\text{Total Scholarship}}{\text{Total School Days}} = \text{Scholarship Money Awarded per day}$
2.  $\frac{\text{\# of Days the Student was in School}}{\text{Total School Days}} \times \text{Scholarship Money Awarded per day} = \text{Scholarship Money Spent}$
3.  $\text{Total Scholarship Received} - \text{Scholarship Money Spent} = \text{Prorated Amount to be Returned to Renaissance Scholarships}$
